Notes for Sammie Jo Houston:

7 Oct 1916 New Mexico Birth Certificate, corrected

From Tales & Trails of Bailey County, the First 70 Years, Taylor Publishing Co., Dallas, TX 1988

S. M. "Bo" and Sammie, with our two sons, Don and Dean, moved to Bailey County in 1948 from Dickens County, Texas. We bought a farm southwest of Muleshoe in the Longview community. FM 746 ran through our farm and was paved that year. Our third son, Gary, was born here. They all attended and graduated from Muleshoe public schools. They rode the school bus about an hour each morning and each afternoon. Don, Dean and Gary grew up on the farm, but we bought a house and moved into town in 1968 after the two older boys had left home and Gary was a junior in high school.

We farmed 1150 acres, 600 acres rented from Dr. L.T. and Dorothy Green. On July 4, 1953, our crop was hailed out. When it dried out enough to plant, our neighbors moved in with 14 tractors and planted the field in one day. The ladies brought covered dishes. We enjoyed the good food and fellowship and the children enjoyed the day, too. We always raised a large garden of corn, watermelons, cataloupes, etc., and our neighbors and friends from town would help themselves. In 1955, we drilled our first irrigation well on one of our farms. We tried furrow watering, but bought a sprinkler system that first year. Years later we put in underground pipe and watered with a sideroll sprinkler. We sold the irrigated land in 1978 when Bo retired but kept the dry land and rented it, which we still do.

Our family recreation was picnicing, boating and skiing, and movies. We would take our boat to Monument Lake to ski and picnic. A dam was built above the lake in the late 1950s and that did away with the skiing.

Don, Dean, and Gary attended Texas Tech University. Don got his Ph.D. in Economics from North Carolina State University and married LaNelle Boothe of Muleshoe. They have one daughter, Heather. Dean got his Ph.D. in Agricultural Economics at the University of California at Berkely and married Lanell Lafon of Muleshoe. They have two daughters, Lisa and Tiffany. Gary married Melita King of Muleshoe and they have one daughter, Erin.

Notes for Sidney Melvin Ethridge:

3 Nov 1911 Texas Birth Certificate 186612

Sidney Melvin Ethridge's nickname was "Bo." Dean Ethridge wrote that his Grandpa Ethridge called Sidney Melvin, "Bo", because he thought Melvin was noticeably bow-legged as a baby. This condition did not persist into adulthood. Grandpa Ethridge gave nicknames to most (if not all) of his boys. Melvin's nickname stuck with him throughout his life. Many people who knew him well did not know his given name, Sidney Melvin.

Notes for Joyce Corrella Houston:

Born 30 Sep 1927, on a farm east of Crosbyton, TX, about 40 miles east ofLubbock, TX. Her Mother said she named her "Joyce" because she was a "Joy" to her. By the time she was 5 the family had moved to Dickens County, TX.

By 1938, her family had moved to Montague County, TX, near the town of Sunset, where they bought an 80 acre farm. She and her youngest brother walked 5 miles to school, rain or shine to a one room school. Her oldest brothers went off and joined the C.C.C. camps.

By early 1943, her 3 older brothers had been called into the Army or joined the Navy. Her father decided the family should move to Stockton, CA, where her oldest sister, Oleta, and family lived. Her father and youngest brother found work in the shipyards as welders, with her brother going part time to school. In 1944, he was drafted into the Army. Shortly afterwards, her parents insisted she get her driver's license, they didn't care to drive, especially in the big city. Finally she got up enough nerve to tackle this chore. As she was driving, with the Department of Motor Vehicles officer, she came to a intersection with no four way stops. The first thing she knew, a car appeared in front of her, and she hit the car broadside, doing very little damage, as she was not going very fast. The woman driving the car had not noticed the officer in the car with Joyce so she began to tell her off. The officer spoke up, telling her it was her fault, that she had the right-of-way. The officer could not grant her the license, but asked her to come back in a few weeks. The pressure from her parents got so bad, that after a few weeks she ventured back. Would you believe she got the same officer! They probably didn't drive more that 4 blocks, with the officer telling her every little thing she should do. He issued her a driver's license.

In Jan 1945, she met her future husband at a roller skating rink in Stockton, CA. His ship had come to Stockton for some needed repairs. She guessed it was love at first sight, because they became engaged within a month, but because he was due to ship out for 2 years they decided to wait to get married. In March 1945, his ship the USS Skylark, a mine sweeper, was hit and sunk by mines while sweeping the mine fields off the coast of Okinawa, Japan. All survivors were picked up by a U.S. destroyer after they had been in the water for several hours. As a survivor, he was granted a 45 day leave. He returned to the United States and they were married May 18, 1945, after she

promised her parents that she would finish her last month of high school. After that, he got shore duty not far from Stockton. By October 1945, he was discharged from the Navy and they decided to move to San Diego, CA, where he was born and raised. Her parents had already moved back to their farm in Texas, where they rebuilt their home into a more modern house, doing all the work themselves, even though they were both in their late fifties.

Soon after their arrival in San Diego, her husband got a job working at NAS North Island for Federal Civil Service. Joyce worked part-time at odd jobs, while raising a daughter and son. Later she worked as a bookkeeper. In 1953, she and her husband bought their present home in La Mesa, CA
